Snap-on

Automotive & Light Duty Diesel Tools 2021-2022

Northwest Iowa Community College in partnership with Snap-On Tools will provide a high tech automotive lab equipped with tools.

Important Information

Students pay a \$350.00 lab fee for terms 1-5 which accumulates in a student account totaling \$1750.00. The \$1750.00 is applied to the purchase of a new Snap-On tool set.

9200AGSO ORANGE BIG SET	\$2,562.00
EEDM525E COLOR DISPLAY DMM W/T	\$192.24
QD3R250A TORQ WR 1/2IN DR 80T 50-250FT	\$166.74
QD2R100A TORQ WR 3/8 DR 20-100FT LBS	\$153.72
KRA2407PBO ROLL CAB RED CLASSIC 60	\$1,101.06
SEPPT850K 1/2IN IMP WR W/SOCKET SETS	\$466.20
Sub Total	\$4,641.96
Minus Student Lab Fee Account	\$1,750.00
Payment Due by Student (by the end of term 5)	\$2,891.96

Additional Terms of Agreement

- At the time of the tool purchase (by the end of term 5) there is NO NCC payment plan allowed for the tool purchase for the remaining \$2,891.96. Prices are updated on a yearly basis.
- Payment in full is required before tools and tool boxes are provided to student. A payment plan may be arranged with Snap On.
- All tools and upgrades are at a student discounted rate provided by Snap On.
- Any extra "upgrades" would go through Snap-On directly. The student pays sales tax on those "upgrades" plus the cost of those upgrades.
- If the student drops the program all paid lab fees are not refundable.
- If the student does not complete the program the student has the option to purchase the tools at the full purchase price of \$4,641.96 plus sales tax. Any lab fees collected will not be applied.

Additional Supplies

These may be purchase at the NCC College Store.

- Eye Safety Glasses-Prescription eyeglasses require safety lens and side shield
