Dear Students, Faculty, and Staff,

We have an exciting opportunity for you to celebrate Constitution Day and learn about our nation's founding principles.

Constitution Day is significant as it marks the signing of the U.S. Constitution, which has shaped our nation's government and protected our rights for over 200 years. On September 17, 1787, the Constitution was signed.

In celebration of Constitution Day, NCC is hosting a speaker on Monday, September 21, as part of our Days of Thunder week. Classes will be canceled to allow everyone to participate.

On-Campus Faculty, dismiss your students at 9:50 and walk with your class to the LLRC to hear our speaker.

See below for information about the event.
